FATHER SAFREED’S REFLECTIONS

Most often, when people become dissatisfied with the Novus Ordo, it’s because they cannot endure the New Mass and its corruptions any longer. They sense that there is something wrong, and they go searching for a church that has “the Latin Mass.”

While that is not wrong, as such, the faithful must understand that looking for the right Mass is not the first consideration—it’s finding the right church.

While there is much discussion among theologians as to where the visible Catholic Church is today, we can say for certain where it is not.

It does not reside within the structures and buildings of the institution that most people think of as the Catholic Church. This is so because that entity has **SUBSTANTIALLY CHANGED** its teaching on doctrinal issues to the point where you would have to admit that the Church has defected. And since that is impossible, what people think they understand to be the true Church is actually a false church and, unfortunately, are involved in manifest deception.

The problem is the Novus Ordo church no longer possesses the true Faith. This happened when Paul VI imposed upon humanity the false religion that was spawned by the false teachings of Vatican II.

So, from 1965 when the Council ended until the present time there has been no end of massive confusion, distress, angst, acrimony, etc. This was not caused by the faithful, but by so-called popes, bishops and clergy, who to some degree or other adhered to this false church and continue to aid and abet it to this day.

Consider the Vatican II church as a beast. This beast has a “left wing” and it has a “right wing.” You could say it has something for everyone. So, the Fraternity of St. Peter, for instance, in the right wing of the beast, must still submit to Francis, his hierarchy and Vatican II. They have their Latin Mass, but almost without doubt, Francis or his successors will take it away as is being done in the New Church with other groups at present. What the Modernist hierarchy can give, they can take away.

The Traditional Mass is abhorrent to Francis and his minions not because it is celebrated in Latin, but because it is a manifest expression of the Catholic Faith which they obviously hate. The New Mass manifests the New Faith, whereas the Traditional Mass manifests the True Faith. Francis is telling people once and for all: Choose one or the other, you can’t have the Traditional Mass in a church that has the faith of Modernism. Interestingly, Bergoglio and I are in agreement on this!

The chickens are coming home to roost, and the lukewarm are getting their just recompense.

*If you are new to the chapel, Welcome.
New parishioners please consult Father Safreed before the reception of sacraments.*

DRESS POLICY ~ When attending any functions at the chapel, especially Holy Mass, you are in the presence of the Blessed Sacrament. Please dress accordingly, with due modesty and respect. **Everyone should refrain from jeans, shorts or T-shirts.**
Ladies, use a head covering, available in the rear of the church either for loan or for purchase.

Remember, also, Lord, Your servants and handmaids below who are gone hence before us, marked with the sign of faith, and sleep the sleep of peace. To them, Lord and to all that rest in Christ, grant, we implore You a place of happiness, light and peace through the same Christ our Lord. Amen.
